KARNATAK LAW SOCIETY

Karnatak Law Society has a glorious history. Ever since its inception in 1939, the society has rendered yeoman service in the cause of education. Our Society's march for excellence began in 1939 with establishment of a single educational institution. Today under the aegis of Karnatak Law Society more than 10 institutions are imparting quality education in various streams from kindergarten to professional post graduate courses.

GOGTE COLLEGE OF COMMERCE

KLS Gogte College of Commerce was established in 1954. Ever since it has become a synonym for commerce education in this part of Karnataka, producing leaders of tomorrow in various fields like Commerce, Business Administration and Computer Applications. The college has established a high standard of excellence in both academics and extracurricular activities. Being one of the oldest colleges under Rani Channamma University, Belagavi, Gogte College of Commerce always stood at the forefront of commerce education guiding students towards the path of success.

BCA

BACHELOR OF COMPUTER APPLICATIONS

KLS GCC BCA is celebrating 25 glorious years of excellence in the field of IT education. GCC BCA was one of the first few colleges to start the BCA course under Karnataka University, Dharwad. GCC BCA has always thrived hard in providing an excellent platform for its students to excel in academic, co-curricular and extra-curricular activities. The objectives at GCC BCA have always been to strike a right balance without any compromise on any of the activities and guide students in overall personality development. This is evident from the success that students have achieved in various campus interviews, national level events and in the field of sports.

EVOGEN

Evogen is a platform for students to showcase and hone their skills in various technical activities like analysis of problems, software development, cyber security and designing. The event is conceptualized and designed in such a way that it promotes personality development, entrepreneurship and technical skills among the students. With challenges more exciting, with interactions more inspiring, with concepts more ingenious and most importantly, with a festival more of fun, this edition of Evogen will unleash the treasure hidden in "YOU!"
